

Performance Pathway to Birmingham 2022. (27 July-7 August)

During the 4 year selection window athletes will be offered different levels of support by the CGAJ. The CGAJ is working on the principle that “PRACTICE” and “COMPETITION” are directly linked to regular success.

The CGAJ are 100% sure that elite performance is due to prolonged, persistent and deliberate planning, practice and competition.

STATEMENT

Results over the long term will be considered by validation. Poor programmes with occasional peaks will not guarantee selection. Old PBs will not be considered.

FUNDING

Athletes’ performances / stats will be supported in 5 categories

Gold. PP athletes with results that measure up to GOLD (finalist/25% of field)

Success PP athletes with top half performances

PI PP athletes who are at sports criteria/PI

Development PP athletes on long term plan

Quiet PP athletes with limited finances whose governing body puts in special request.
